Sparkle

Quilt is 65" x 65"

Cutting Instructions:

(WOF = Width of Fabric, JR = Jelly Roll)

From the Jelly Roll:

- Select (36) JR strips for the outer block points. From each 2 ½" strip cut:
 - (8) 2 ½" x 4 ½" rectangles (totaling 288)
 - Cut (61) 1 ½" squares for Block Centers and Cornerstones from the remaining strips and leftovers.

From the Background and Border 1 Fabric:

- Cut (36) 2 ½" x WOF strips. Subcut (576) 2 ½" squares; draw a diagonal line from corner to corner on the wrong side of each square.
- Cut (6) 4 ½" x WOF strips. Subcut (144) 4 ½" x 1 ½" rectangles for block sashing strips.
- Cut (2) 9 ½" x WOF strips. Subcut (52) 9 ½" x 1 ½" rectangles for quilt sashing strips.
- Cut (2) 1 ½" x WOF strips. Subcut (8) 1 ½" x 9 ½" rectangles for quilt sashing strips.
- Cut (7) 3 ½" x WOF strips. Piece for length. From the long strip Subcut the following:
 - (2) 3 ½" x 59 ½" Side Border Strips.
 - (2) 3 ½" x 65 ½" Top/Bottom Border Strips.

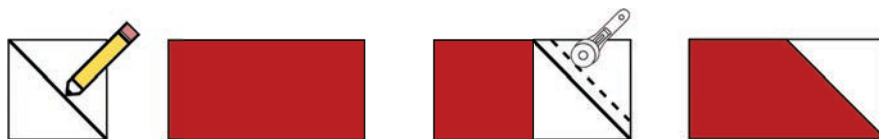

From the Binding Fabric:

- Cut (8) 2 ¼" x WOF strips.

Construction:

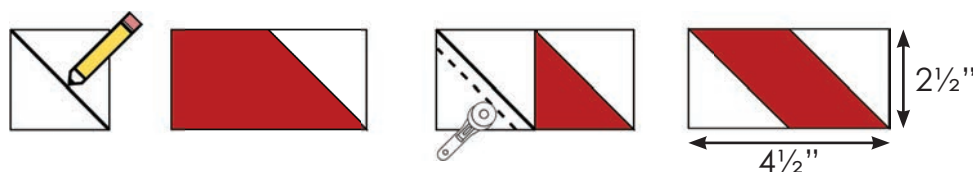

(Use ¼" seams. Press in the direction of the arrows in the diagrams.)

1. Layer a marked 2 ½" BG square onto the corner of a 2 ½" x 4 ½" print fabric rectangle, right sides together and edges aligned. Diagrams show accurate placement. Sew on the drawn line. Trim ¼" from the drawn line trimming excess fabric. Press to the corner.

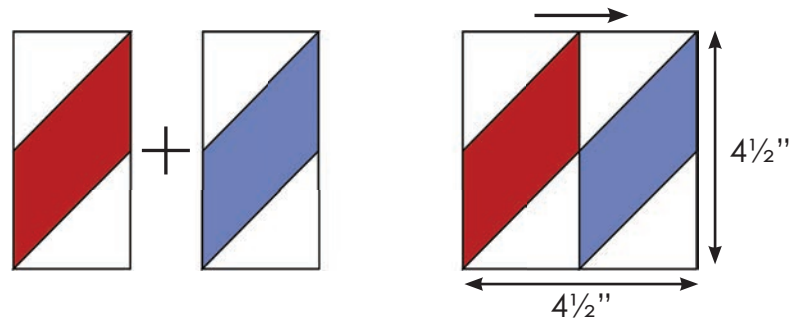

2. Layer a marked 2 ½" BG square onto the opposite corner of the same print fabric rectangle, right sides together and edges aligned. Repeat stitch and flip techniques to complete (1) rectangle unit measuring 2 ½" x 4 ½".

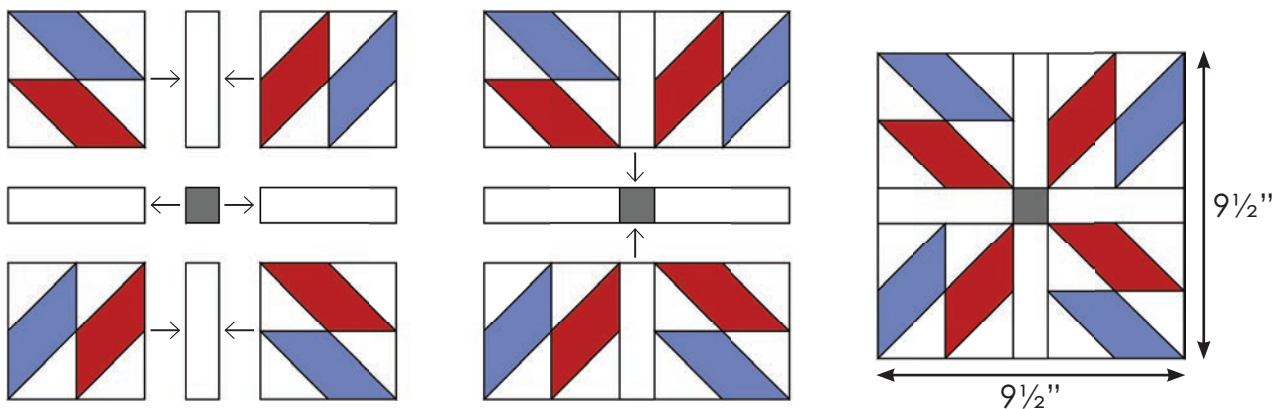

3. Repeat to make (288) rectangle units using an assortment of JR prints.

- Sort the rectangle units into 72 sets of (4) matching rectangle units. Make 36 sets of (8) rectangle units, each with 2 sets of (4) matching rectangle units.
- Select 1 set of (8) rectangle units. Using one of each print, lay out two rectangle units as shown. Sew together. Press the seam in one direction, or press open.
- Repeat to make (4) matching block quadrants measuring $4\frac{1}{2}'' \times 4\frac{1}{2}''$.

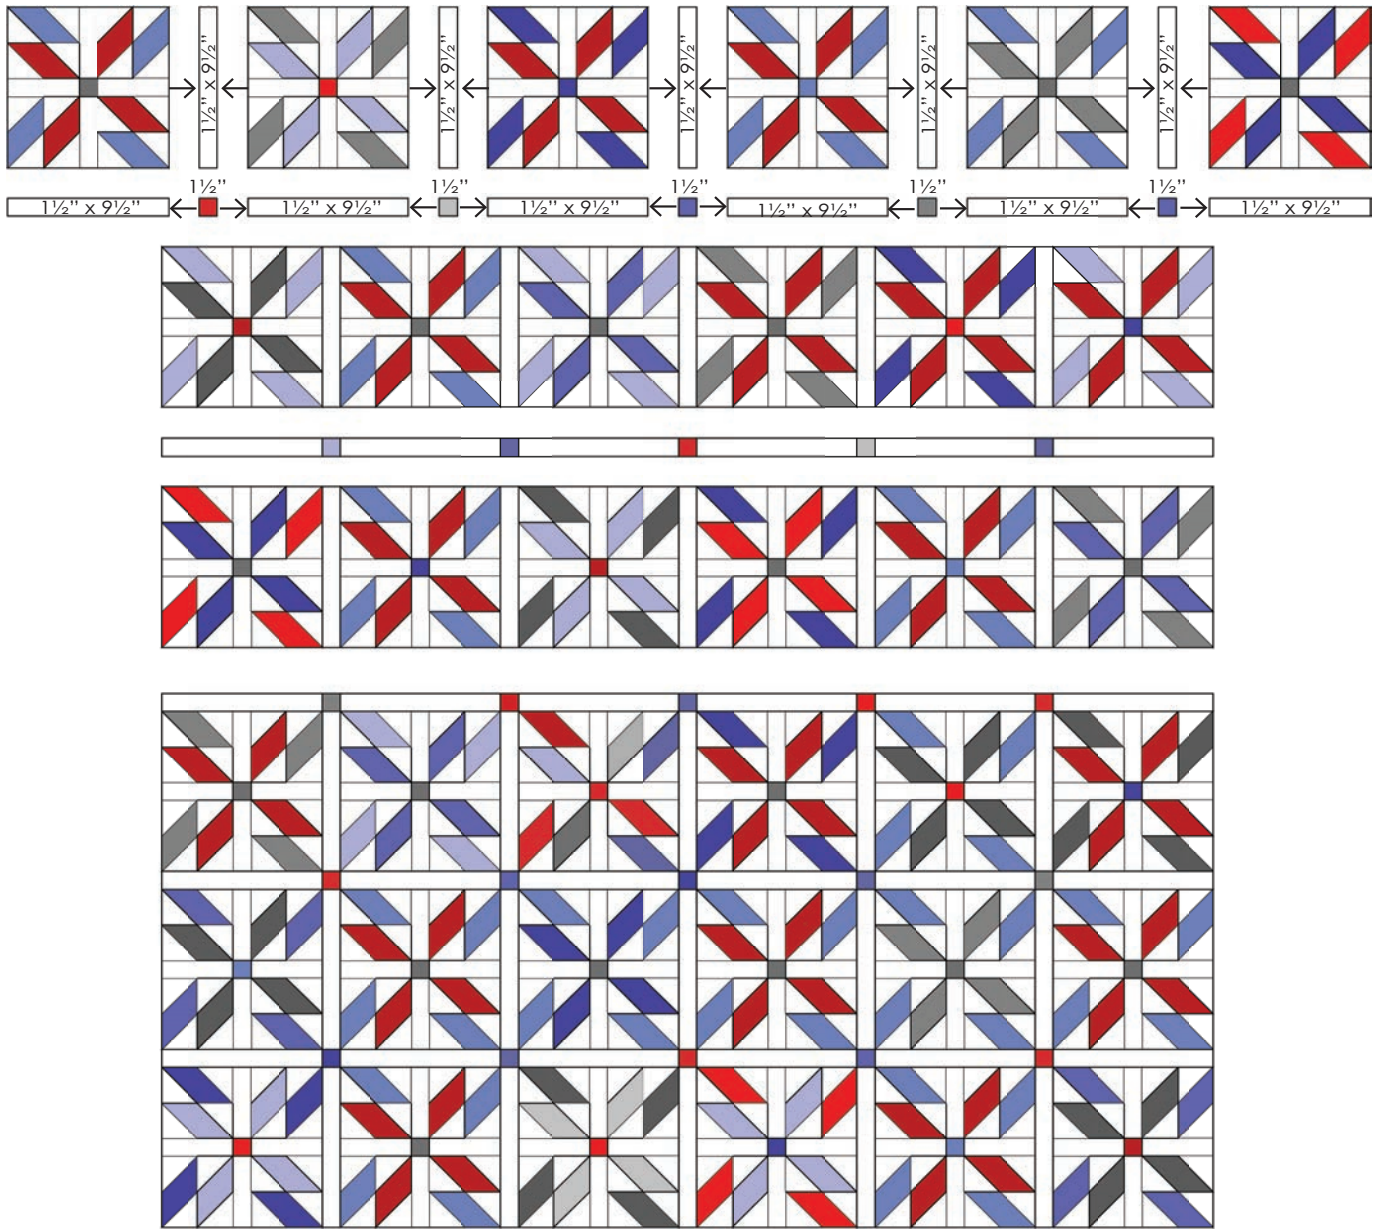

- Gather (4) matching block quadrants, (4) $1\frac{1}{2}'' \times 4\frac{1}{2}''$ block sashing strips and (1) $1\frac{1}{2}''$ print fabric square. Join the parts to make three rows as shown. Press all seams to the block sashing strips.
- Join the three rows to complete a block. Press the seams to the sashing strip row.
- Repeat to make (36) blocks. Blocks should measure $9\frac{1}{2}'' \times 9\frac{1}{2}''$.

Quilt Assembly:

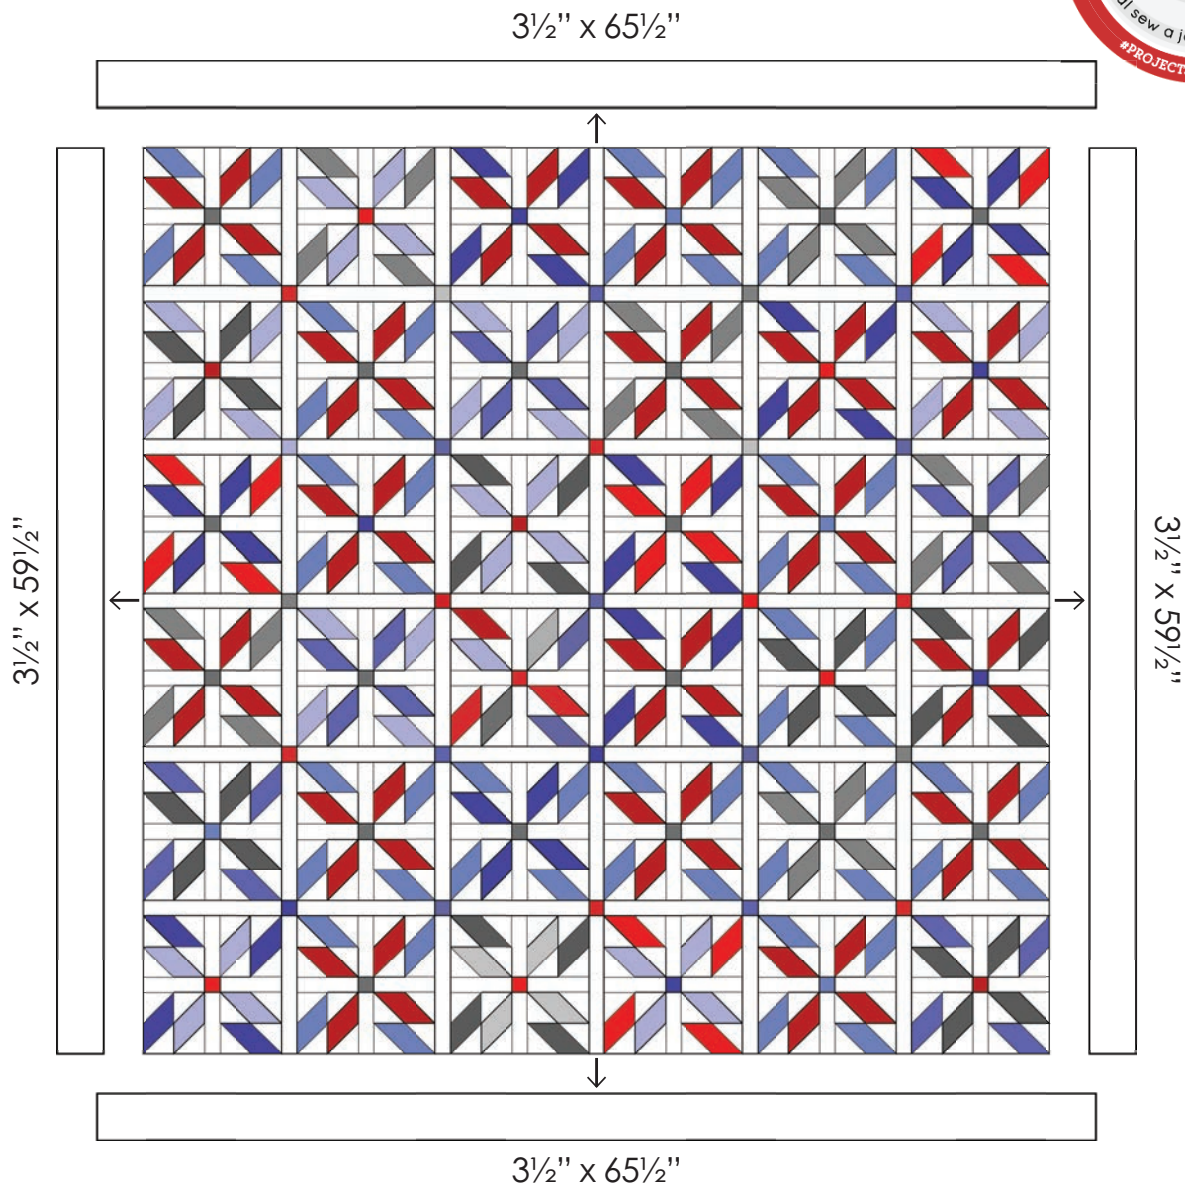

- Lay out blocks in a 6 x 6 grid as shown placing (1) $1\frac{1}{2}'' \times 9\frac{1}{2}''$ quilt sashing strip vertically in between each block. Lay out sashing rows using (6) $1\frac{1}{2}'' \times 9\frac{1}{2}''$ quilt sashing strips and (5) $1\frac{1}{2}''$ print fabric squares as cornerstones. Place sashing rows in between each block row.
- Sew individual block and sashing rows together horizontally. Press all seams toward the quilt sashing strips.
- Sew block and sashing rows together to complete the quilt top center. Quilt top center should measure $59\frac{1}{2}'' \times 59\frac{1}{2}''$.

Quilt Assembly Continued:

13. Attach the Side Borders measuring $3\frac{1}{2}'' \times 59\frac{1}{2}''$. Press outward.

14. Attach the Top/Bottom Borders measuring $3\frac{1}{2}'' \times 65\frac{1}{2}''$. Press outward to complete the quilt top.

15. Sew the prepared 2 1/4" x WOF strips together for binding. Layer, quilt, bind. Enjoy!
